## Section 1 – Liability to other people

### What we will cover

#### a Cover for your liabilities

This policy covers you for:

- all your legal responsibilities as a result of death of or injury to anybody caused by an incident involving your motorhome; and
- damage to any property as a result of an incident involving your motorhome. We will pay up to £20 million (including all costs, expenses and indirect losses, apart from those covered under the legal expenses part of your policy). This cover applies to any one event or any series of incidents resulting from one event.

#### b Cover for other people

We will also provide the cover outlined in section 1a for:

- anyone insured by this policy to drive your motorhome as long as they have your permission;
- anyone you allow to use (but not drive) your motorhome for social, domestic and pleasure purposes (that is, not for business purposes);
- anyone who is travelling in or getting into or out of your motorhome; and
- your employer (as long as they have your permission to drive your motorhome and are allowed to do so by your current certificate of motor insurance).

#### c Cover for legal personal representatives

If anyone insured under the policy dies, we will transfer the protection we provide under this policy to their estate.

#### d Emergency medical treatment

We will pay for emergency treatment fees as set out in the Road Traffic Acts.

If we make a payment under this section, it will not affect your no claim discount.

#### e Driving other motorhomes

If your certificate of motor insurance says so, this policy provides the same cover as shown in section 1a when you are driving any other motorhome as long as:

- you do not own it;
- it is not hired to you under a hire-purchase or leasing agreement;
- the engine size is not greater than the motorhome specified within your certificate of motor insurance, without prior permission of the insurer.

This cover only applies if:

- there is no other insurance in force which covers the same claim;
- you have the owner's permission to drive the motorhome;
- the motorhome is being driven in the United Kingdom; and
- you still have your motorhome and it has not been declared a total loss.

You cannot make use of this section to release a motorhome if it has been seized by, or on behalf of, any government or public authority.

## **f Legal expenses**

If we give our permission in writing beforehand, we will pay the fee for a solicitor to:

- represent anybody insured under this policy at any coroner's inquest or fatal accident inquiry; or
- defend anybody insured under this policy in a magistrates' court, as long as the case relates to an event you may be able to claim for under parts 1a or 1b of this policy.

We will pay for legal services to defend anyone insured under this policy if legal action is taken against them for:

- manslaughter;
- causing death by dangerous driving; or
- causing death after drinking alcohol or taking drugs.

The following conditions apply to legal expenses cover.

- You must ask us and we must agree to provide the cover.
- The deaths the legal action relates to must be covered under this policy.
- The event causing the deaths must have happened in the United Kingdom.

## **What we will not cover**

**(This applies to all claims made under parts 1a and 1b of the policy.)**

- We will not cover loss of or damage to your belongings or the belongings of anybody else insured.
- We will not cover anyone driving your motorhome who has never held a licence to drive it or who is disqualified from driving.
- We will not cover anyone who fails to keep to any of the terms, conditions and endorsements of this policy.
- We will not cover the liability of anyone insured under this policy for causing the death of, or injury to, any employee who was carrying out any activity associated with their work at the time of the accident, unless the Road Traffic Acts says otherwise.
- We will not cover loss of or damage to the motorhome being used or driven at the time of the incident.
- We will not cover loss of or damage to any trailer or vehicle you tow.

## Section 2 – Loss of, or damage to, your Motorhome

### What we will cover

If your motorhome, its accessories and spare parts are lost, stolen or damaged, we will:

- repair the damage ourselves;
- replace what is lost or is damaged if this is more cost-effective than repairing it; or
- settle your claim by sending you a cheque for the amount of the loss or damage.

### The most we will pay

We will not pay more than the market value of your motorhome (including any accessories and spare parts) at the time of the loss or damage, less any excess that may apply.

### Hire-purchase, leasing and other agreements

If your motorhome is owned by someone else, we will settle any claim by paying the legal owner before paying anything left over to you.

### Parts that are not available

If a replacement for any damaged accessory or part of your motorhome is not available, the most we will pay is its price (as specified by the manufacturer) at the time of the loss. We will not pay more than the cost of the accessory or part as shown in the manufacturer's last price list in the United Kingdom.

We may decide to repair your motorhome with parts which have not been made or supplied by your motorhome's manufacturer, but which are of a similar standard.

We are not responsible for:

- any extra costs of storing your motorhome that result from any accessory or part not being available; or
- the cost of importing any accessory or part into the United Kingdom.

### What we will not cover

- We will not cover the excesses shown in your schedule.
- We will not cover loss or damage caused by wear and tear.
- We will not cover any reduction in the market value of your motorhome (for example, reductions caused by the age of the motorhome or the number of miles it has covered).
- We will not cover loss in the market value of your motorhome resulting from any repair, whether or not this has happened as a result of any claim under this policy.
- We will not cover any mechanical, electrical or computer equipment breaking or failing to work properly.
- We will not cover damage to tyres caused by braking, punctures, cuts or bursts.
- We will not cover damage caused by pressure waves from an aircraft or other flying object travelling at or beyond the speed of sound.

## What we will not cover (continued)

- We will not cover loss of, or damage to, any trailer (unless shown under **Applicable endorsement(s)** in your policy schedule), caravan or vehicle, or anything inside, while being towed by or attached to your motorhome.
- We will not cover loss or damage you or anybody insured under this policy has done deliberately.
- We will not cover you for loss of use or other indirect losses (such as travel costs or loss of earnings) other than those set out in section 7 of this policy.
- We will not cover your motorhome being stolen by someone who claims to be a buyer or a buying or selling agent.
- We will not cover loss of, or damage to, your motorhome if, at the time of the incident, someone in your family or someone who is living with you was using it without your permission. (This exception does not apply if you report the person using your motorhome to the police for taking your motorhome without your permission.)
- We will not cover loss or damage caused by any government, public or local authority legally taking, keeping or destroying your motorhome.
- We will not cover loss of, or damage to, your motorhome if it is unoccupied (that is, nobody is inside it) and is left:
  - unlocked;
  - with the windows or roof open; or
  - with the keys inside (or on) the motorhome unless you are away with your motorhome at the time of the incident and the key and/or spare key has been left out of sight in a locked compartment which forms part of and is within the motorhome.
- We will not cover loss or damage to your motorhome if it is being driven by any person otherwise in accordance with the limitations of that driver's licence.

## New motorhome benefit

We will replace your motorhome with one of the same make, model and specification if:

- subject to what is shown under **Applicable endorsement(s)** in your policy schedule;
- you are the first and only registered keeper (or the second registered keeper if the first registered keeper is a company we recognise as a main agent of the motorhome's manufacturers); and
- your motorhome has:
  - been stolen and not found; or
  - been damaged and the cost of repairing the motorhome is more than 60% of the manufacturer's United Kingdom list price at the time of the damage (including vehicle tax and VAT) for a motorhome that is exactly the same.

We will only replace your motorhome if you and anyone else who has a financial interest in your motorhome agrees.

If a replacement motorhome which is the same make, model and specification as your old motorhome is not available, we will pay you the price of your motorhome, fitted accessories and spare parts as shown in the manufacturer's last United Kingdom price list, less any excess that may apply.

If we settle a claim under this section of the policy, your lost or damaged motorhome becomes our property and you must send us its registration document (V5 or V5C).

## **Removing and delivering your motorhome**

If your motorhome is in the United Kingdom and cannot be driven as a result of loss or damage which is covered under this policy, we will pay the reasonable cost of protecting it and taking it to the nearest suitable repairer. We will also pay the reasonable cost of delivering your motorhome to you at the address shown in your schedule after it has been repaired.

## **Radio and audio equipment**

This policy covers loss or damage to any radio or audio equipment permanently fitted to your motorhome.

There is no limit on the level of cover for equipment in your motorhome which was fitted by the manufacturer at the time the motorhome was made.

We cover equipment not fitted to the manufacturer's specification up to the following limits:

- If you have comprehensive insurance the most we will pay is £500 after taking off the excess that applies to your claim.
- If you have third party, fire and theft insurance, the most we will pay is £250 after taking off any excess that applies to your claim.

## **Examples**

- You have comprehensive insurance with a £100 excess. Your motorhome stereo, which was not fitted by the motorhome manufacturer and is worth £700, is stolen. You claim for the full cost of the stereo (£700). We take the £100 excess from your claim, which leaves £600. But we will pay £500, which is the policy limit on comprehensive cover.

- You have third party fire and theft insurance with £100 excess. Your motorhome stereo, which was not fitted by the motorhome manufacturer and is worth £200, is stolen. You claim for the full cost of the stereo (£200). We take the £100 excess from your claim, which leaves £100. So we will pay you £100.

We will also pay for loss or damage to any radio or other audio equipment which has been removed from your motorhome if:

- the equipment is designed to be removed (or partly removed);
- the equipment cannot work without your motorhome; and
- you have temporarily removed it from your motorhome for security reasons.

### **Replacing children's car seats**

If you have children's car seats fitted in your motorhome and your motorhome is involved in an accident or damaged as a result of fire or theft, we will pay up to £250 (after taking off any excess that applies to your policy) towards the cost of replacing them, even if they do not seem to be damaged. To be able to claim for your children's car seats, you must also provide evidence that your motorhome has been damaged or stolen.

## Section 3 – Personal accident benefits

### Definitions which apply to this part of the policy only

#### Expert medical specialist

A person other than you, a member of your family or an employee of yours, who is qualified as a consultant in the branch of medicine the injury relates to.

#### Permanent loss of sight

A person who has suffered permanent and total loss of sight in one or both eyes and has been added to the Register of Blind Persons by a fully qualified ophthalmic specialist.

#### What we will cover

We will pay an amount as shown in **Applicable endorsement(s)** as shown in your policy schedule if you or your partner is accidentally injured in the European Union while travelling in or getting in or out of any motorhome and this injury results in any of the following within three calendar months.

- Death.
- Permanent and total loss of sight in one or both eyes.
- Losing one or both arms (above the wrist) or legs (above the ankle) or the total loss of use of an arm or leg (an expert medical specialist must confirm this will be permanent).

The injury must be diagnosed, or the death certified, by a doctor registered to practise in the European Union.

If you or your partner has any other motor insurance policy with us, we will pay the benefit under one policy only

#### What we will not cover

Under this section we will not cover anyone for:

- injury or death resulting from that person committing suicide, attempting to commit suicide or deliberately injuring themselves;
- injury or death if the person claiming was committing a crime at the time of the accident; or
- injury or death if the person claiming had been under the influence of alcohol or drugs (apart from drugs prescribed by a doctor) at the time of the accident.

## Section 4 – Personal belongings

### What we will cover

We will cover:

- a personal belongings, equipment (excluding permanent fixtures and fittings) or baggage in your motorhome;
- b an awning attached to or in the vicinity of your motorhome;
- c a toilet tent attached to or in the vicinity of your motorhome;
- d portable televisions, radios or cassette players;

for loss of or damage caused by fire, theft, attempted theft or an accident while they are in or on your motorhome.

For limits of cover please refer to **Applicable endorsement(s)** in your policy schedule.

If the items which have been lost or damaged do not belong to you, you may ask us to pay the benefit to the actual owner. If the owners accept our payment, this will prove that we have paid the claim.

### What we will not cover

We will not cover the following:

- Money, credit or debit cards, stamps, tickets, vouchers, documents or securities (such as share certificates).
- Goods or samples carried in connection with any trade or business.
- Wear, tear and loss in value.
- Property you leave in your motorhome when it is unoccupied, and:
  - the motorhome is unlocked;
  - the windows or sunroof are open; or
  - the keys are inside or on the motorhome.
- Loss or damage to mobile-phone or electronic-navigation equipment.

## Section 5 – Medical expenses

### What we will cover

We will pay towards the medical expenses for each person injured in your motorhome if it is in an accident.

For limits of cover please refer to **Applicable endorsement(s)** in your policy schedule.

## Section 6 – Broken windscreens and glass

### What we will cover

We will cover the following:

- Replacing or repairing broken glass in the windscreen, back windscreen, sunroof or side windows of your motorhome.
- Repairing any scratches on the bodywork caused by the broken glass, as long as there has not been any other loss or damage to your motorhome.

We will pay an amount as shown in **Applicable endorsement(s)** as shown in your policy schedule.

### What we will not cover

We will not cover the following:

- Any amount greater than £150 if you do not use a windscreen supplier we approve. If you do not claim through Glassline, you can still claim under the policy but we will not pay more than £150 (after taking off the excess).
- The first £100 excess of every claim you make under this section of your insurance. We will reduce this excess to £50 providing you claim through Glassline.
- VAT (if it applies).

## Section 7 – Hotel or travel expenses

### What we will cover

If your motorhome cannot be driven after an accident or loss covered by this policy.

For limits of cover please refer to **Applicable endorsement(s)** in your policy schedule.

The most we will pay for any one event is £400.

## Section 8 – Travelling abroad

### What we will cover

Your policy automatically provides the cover you have chosen (comprehensive or third party fire and theft) but not fire and theft only within the territorial limits. See the 'Definitions' section.

### Minimum cover outside the territorial limits

This policy also provides the minimum cover you need by law to use your motorhome in any country not in the European Union which the Commission of the European Union approves as meeting the conditions of Article 7 (2) of the Directive on Insurance of Civil Liabilities arising from using motor vehicles (72/166/EEC).

If you need more than this minimum cover outside the territorial limits and we agree to give you this cover, as long as you pay any extra premium we ask for we will give you an international insurance certificate (Green Card) which proves you are insured for the time you will be away.

### Customs duty and delivery costs

If your motorhome is within the territorial limits, and is not fit to drive because of loss or damage covered by this policy and we agree beforehand, we will pay:

- the reasonable cost of delivering it to your address in the United Kingdom; and
- any customs duty you have to pay as a direct result of the loss or damage.

For limits of cover please refer to **Applicable endorsement(s)** in your policy schedule.

## **Section 9 – No claim discount**

If you do not make a claim, we will allow you a no claim discount.

You cannot transfer your no claim discount to another person.

You will not lose your no claim discount if:

- the only claim you make is under section 6 of this policy;
- the only claim you make is under section 1d of this policy;
- we can get back all the money we have paid to settle your claim from somebody else (for example, if an accident is not your fault and the other person's insurers admit full responsibility for it); or you have to make a claim because:
  - your motorhome is hit by an identified driver who is not insured; and
  - the accident is completely their fault. (You will not have to pay any excess in this circumstance).

## **Section 10 – Temporary replacement car**

### **When we will provide a replacement car**

We will provide a replacement car, from a company we choose, if you make a claim under section 2 of this policy and:

- you have comprehensive cover;
- the loss or damage happens in the United Kingdom;
- we accept your claim;
- your motorhome is being repaired by one of our partnership repairers;
- you agree to keep to all the repair company's conditions; and
- you are 25 years old or more at the time of the claim.

We provide the replacement car so you can still get about while your motorhome is being repaired.

Your entitlement to a replacement car will end:

- when your motorhome has been repaired and is ready for you to collect or for us to re-deliver to you; or
  - after 28 days;
- whichever is soonest.

### **When we will not provide a replacement car**

We will not provide a replacement car if any of the following apply:

- If repairing your motorhome would cost more than 60% of its market value and we declare it a total loss.
- If we offer to settle your claim under the new motorhome benefit clause in section 2 of this policy.
- If your motorhome is stolen and not found.

If we have already provided a replacement car and any of the following happen, we will stop providing that car if:

- repairing your motorhome would cost more than 60% of its market value and we declare it a total loss; or
- we offer to settle your claim under the new-motorhome benefit clause in section 2 of this policy.

## **Section 11 – Motorhome sharing**

### **What we will cover**

Your policy also covers you for carrying passengers in your motorhome who pay you to do so, as long as:

- your motorhome is not built or adapted to carry more than eight passengers (not including the driver);
- you are not carrying the passenger as a business; and
- you are not making a profit from the passengers' payments.

## **Section 12 – Cover when your Motorhome is being serviced, examined or repaired**

### **What we will cover**

Your cover continues to apply to your motorhome when it is being serviced, examined or repaired at premises involved in the motor trade.

At these times the limits about driving and using your motorhome set out in your certificate of motor insurance will not apply, as long as it is only being driven or worked on by a motor trader or their employees.

If at the time a claim is made under this section any other policy exists that would cover the claim, we will pay only our share of the claim.

## **General exceptions under this policy**

### **1 Motorhome user**

This policy does not apply when any motorhome it covers is:

- being driven or used by anybody who is not allowed to do so under your certificate of motor insurance;
- being used for purposes not shown on your certificate of motor insurance;
- being driven with your permission by anybody you know has never held a driving licence or is disqualified from holding or applying for a driving licence;
- towing a caravan, trailer or broken-down vehicle for payment; or
- towing more than one caravan, trailer or broken-down vehicle at any one time.

### **2 Contracts**

This policy does not cover any liability you have under an agreement or contract, unless you would have had that liability anyway.

### **3 War**

This policy does not cover any loss or damage caused by war, invasion (whether or not war is declared), revolution, military force, acts of terrorism or other hostile events, unless we must provide cover under the Road Traffic Acts.

### **4 Radioactivity**

This policy does not cover any loss, damage or legal liability caused by:

- ionising radiation or radioactive contamination from nuclear fuel or from burning nuclear fuel; or
- radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear machinery or any part of it.

### **5 Using your motorhome on airfields**

We will not pay any claim for events that happen while your motorhome is parked or is being driven in any area of an airport or airfield used for:

- moving, taking off or landing aircraft;
- parking aircraft or other ground equipment, and for maintaining and refuelling; or
- customs inspection areas of passenger terminals.

### **6 Use on a racetrack**

This policy will not cover loss, damage, injury or liability arising while your motorhome is being used on a racetrack or for completing prepaid laps of circuits such as the Nurburgring.

### **7 Pollution**

Unless the law says otherwise, we are not liable for any loss, damage or liability caused by pollution or contamination unless the pollution or contamination is caused by a sudden, identifiable, unexpected and unintended event which happens at one time and place during the period of insurance. We will treat all pollution or contamination which results from one event as having happened at the same time the event took place.

### **8 Fraud**

We will not pay any claim and all cover under the policy will end from the date you (or anyone acting for you):

- make a false or exaggerated claim or support your claim with forged or fraudulent documents or evidence; or
- deliberately cause the loss, damage or injury.

### **9 Riot**

Apart from events covered under section 1, we will not cover any accident, injury, loss or damage that happens outside Great Britain, the Isle of Man or the Channel Islands that is caused by riot or civil commotion.

### **10 Earthquake**

Apart from events covered under section 1, we will not cover any accident, injury, loss or damage caused by earthquakes.

## Conditions that apply to all of this policy

### 1 General

We will only provide the cover set out in this policy if you keep to all the terms and conditions of the policy.

### 2 Your duty

All the information given to us must be complete and correct as far as you know. You are responsible for making sure that information relating to all drivers the policy covers is complete and correct.

If we discover that you (or someone acting for you) deliberately gave us incomplete or false information, all cover under this policy will end. We will treat the policy as though it never existed and we will not pay your claim.

We may also recover any money we may have paid under this policy.

### 3 How to claim and how to tell us about claims which may be made against us

(In this condition only, you means you, your legal representative or anybody insured under this policy.)

You must give us, as soon as possible, full details of any event that could lead to a claim under this policy.

You must not:

- admit an accident is your fault;
- negotiate to settle any claim; or
- offer or promise anything without our permission in writing.

You must send us, unanswered, any documents you receive to do with the claim (or any accident or event which may lead to a claim).

If you know about any possible legal action or inquiries that might be carried out, you must tell us immediately in writing.

We may, in your name, take over and deal with a claim and try to recover from others any money we have paid out under this policy. At all times you must give us whatever help we need.

If the law of any country where you are covered by this policy says we must settle a claim which we would not otherwise have paid, we can ask you (or the person who caused the event) to pay us that amount.

### 4 Other insurance

If you are covered by any other policy for any claim, we will pay only our share of the claim (unless we say otherwise in this policy).

### 5 Taking care of your motorhome

You must make sure that:

- your motorhome is in a roadworthy condition and is safe to drive; and
- you do all you can to keep your motorhome and its contents safe.

If your motorhome is damaged by something covered under this policy, you must do whatever is necessary to protect your motorhome and its accessories from further loss or damage.

If we ask, you must let us examine your motorhome at any reasonable time.

Your motorhome must have a current MOT certificate (if it applies).

## **6 Cancelling your cover**

If this policy does not meet your needs, you have 14 days from the date you received your policy documents to cancel the policy and get a full refund. (We will not give you a refund if you have claimed for the total loss of your motorhome or an incident has happened where you could make a claim for a total loss.)

To cancel your policy, please contact the insurance broker or intermediary who sold you your policy.

To get a refund, you must return this policy and any certificate of motor insurance or cover note.

If you want to cancel your policy after this 14-day period, you must write to tell us and send us your certificate of motor insurance at the same time. As long as you have not made a claim under the policy, we will refund the part of your premium that covers the rest of the period you would have been insured for. We will cancel your policy from the date we receive your certificate of motor insurance.

We or your insurance broker or intermediary, may cancel this policy by giving you seven days' notice in writing, which we will send by recorded delivery to the most recent address we have for you.

You must send us the certificate of motor insurance before we can refund any premium.

If you sell or get rid of your motorhome, you must tell us immediately. All cover under this policy will stop unless you replace your motorhome and give us its details within seven days of getting rid of your old motorhome.

## **7 Settling disagreements**

If we accept your claim under sections 2, 3, 4, 5, 7 or 10 of this policy but we and you cannot agree the amount we should pay, we will pass the matter to an arbitrator to decide. The arbitrator is an independent person who we and you will appoint in line with the law in force at the time. You cannot take legal action against us before the arbitrator makes a decision.

## **8 Paying your premium**

If you have not paid your premium, we will not provide cover from the date the premium was due.

If you claim under this policy and you are paying your premium under one of our credit schemes, we may take from your claim any amount you still owe us for the rest of the period your policy applies. The cover under this policy will continue until the renewal date unless your motorhome is declared a total loss and you do not replace it or we do not agree to cover the replacement motorhome.

## Conditions that apply to all of this policy (continued)

### 9 Contracts (Rights of Third Parties) Act

Under the Contracts (Rights of Third Parties) Act 1999 or any other relevant laws, only you and we may enforce any of the terms of this policy. This will not affect any rights other people or organisations have under other laws.

### 10 Telling us about changes in your circumstances

Please tell us about any changes which may affect your cover. If you fail to do so, your policy may not be valid and we may not pay your claim.

For example, you must tell us if:

- you want to change the drivers insured under this policy;
- you move house or change the place you keep your motorhome;
- you expect to do fewer or more miles each year;
- your name changes (for example, by marriage);
- you change your motorhome or the owner of your motorhome changes;
- you change what you use your motorhome for (for example, you start using it for business purposes);
- you get a new job (full-time or part-time) or take on a second job;
- you make changes to your motorhome (including fitting security devices); or
- you develop any physical or mental problem that affects your ability to drive.

This is not a full list. If you are not sure whether you need to tell us about a change in circumstances, tell us anyway.

## Making a claim

**If your motorhome is involved in an accident or has been damaged or stolen, here's what to do.**

We hope you'll find our service fast, efficient and friendly.

Call Claimline on **0870 240 1895** (or **0044 23 9220 5450** if you are phoning from outside the United Kingdom) as soon as possible. You can do this at any time of the day. Calls to 0870 numbers will cost no more than 01 or 02 numbers in the UK. Calls from mobile phones may cost more.

### You will need to tell us:

- your policy number or the number shown on your certificate of motor insurance;
- your personal details;
- the driver's personal details, if you were not driving your motorhome; and
- full details of what happened, including the details of any other people or vehicles involved and any witnesses' names and addresses.

There is no need for you to fill in a claim form. Our staff will do this over the phone when you call Claimline.

However, we may send you the claim form so you can check the information we have recorded is correct.

We may arrange for one of our representatives to visit you to help us investigate your claim.

## **Getting your motorhome repaired**

If your motorhome needs to be repaired, we have a network of partnership repairers across the United Kingdom who can arrange to start work on your damaged motorhome as soon as possible. Simply call Claimline and we will contact the nearest repairer to you. You do not need to get estimates for the repair because we already have agreements in place with our repairers.

We can arrange to collect your motorhome from your home and return it to you once it has been repaired. When your motorhome has been repaired, you will need to pay the repairer the excess and any contribution that may apply.

We have chosen repairers carefully to make sure you receive the highest standard of repairs and service. All repairs carried out by repairers we approve are backed by a three-year warranty.

If you want, you can arrange for a repairer you choose to carry out the repairs. If you want to do this, you must send us a detailed repair estimate and full details of the accident before your repairer starts any work.

## **Temporary replacement car**

For full details of this scheme, please read section 10 of this policy.

## **If your motorhome is a total loss**

If:

- your motorhome cannot be repaired;
  - the cost of the repair is more than the market value of the motorhome and its accessories; or
  - your motorhome is stolen and not found;
- we will call it a total loss and it will become our property. You must send us its registration document (V5 or V5C).

If it is possible to do so, we will immediately move your motorhome to a place it can be stored, so please make sure you remove all your belongings from the motorhome.

## **Documents you must send us to claim for a total loss**

Before we can deal with your claim, you must send us:

- your certificate of motor insurance;
- the vehicle registration document (V5 or V5C);
- the MOT test certificate (if applies);
- all sets of motorhome keys;
- details of any money you still owe for the motorhome; and
- any other documents you may want us to take into account when valuing your motorhome (such as the motorhome's service history).

If possible, please also send us the receipt for your motorhome. This will help us deal with your claim faster.

Please send the documents to us direct so we can pay your claim as soon as possible.

## Making a claim (continued)

We will contact you to agree the market value of your motorhome. From this value we will take off the amount of:

- any excess;
- any money you owe; and
- any premium you have not yet paid. You must still pay the full yearly premium because we have met all our responsibilities to you under the policy.

### If your motorhome is stolen

If your motorhome is stolen and is found, but it has been damaged, we will either repair it or treat it as a total loss as described above.

If the motorhome is not found we will treat it as a total loss.

We place all claims for a total loss on a register shared by a range of insurance companies. This is to protect us against fraud.

### Broken windscreens and glass

If you need to claim for a broken windscreen or broken glass, phone Glassline on **0800 854 454 (0044 23 9220 5450** if you are phoning from outside the United Kingdom) and show the repairer your current certificate of motor insurance when they repair the glass.

We will pay an amount as shown in **Applicable endorsement(s)** as shown in your policy schedule.

Glass damage can often be repaired but you need to phone Glassline as soon as possible. If you do not get the damage repaired as soon as possible, the damage is likely to spread until a much more expensive and time-consuming replacement is needed.

If your policy does not cover windscreen damage, by calling Glassline you may still qualify for a discount for standard items. However, you will need to pay the windscreen company in full when you get the windscreen repaired or replaced.

### Personalised number plates

If your motorhome is stolen and not found, or declared a total loss, you should contact the Driver and Vehicle Licensing Authority (DVLA) as soon as possible to transfer your number plate to a replacement motorhome.

If you fail to do this, we may not be able to pay your claim as quickly as we normally would.

### Claiming for 'uninsured losses'

When you make a claim, any costs which are not included under your policy (such as your policy excess) are known as 'uninsured losses'.

If you have an accident and it is not your fault, you may be able to claim these costs back from the other driver. Before you contact the other driver or their insurers direct, you must tell us that this is what you plan to do.

You may have separate insurance that pays the costs of claiming for your uninsured losses. Please check your policy documents.

## Useful information

### Protecting your Motorhome and belongings

Unfortunately, vehicle crime is very common. However, you can help prevent vehicle crime. It is a condition of your policy that you must do all you can to keep your motorhome and its contents safe. If you do not do this, you may not be able to claim under this policy. We hope you find the following tips useful.

**Close all windows**, including the sunroof, when you leave your motorhome – even if you are just leaving it for a short time.

**Lock your motorhome** even if it is on your drive or in your garage or you are just leaving it for a short time (for example, at a petrol station). Do not forget to lock the boot.

**Take the motorhome keys with you.** Never leave your keys in your motorhome or leave the engine running, even if you are only leaving your motorhome for a few minutes.

**You should never leave your personal belongings** on display in your motorhome. If you cannot take them with you when you leave your motorhome, lock them away.

**Remove all radio, stereo and portable satellite-navigation equipment** if possible when you leave your motorhome.

**Fit an alarm or immobiliser** to your motorhome and make sure you use it. Vehicle thieves will often avoid vehicles that have an alarm or immobiliser.

If your motorhome doesn't have an alarm or immobiliser fitted, you should consider fitting one approved by Thatcham, the Motor Insurance Repair Research Centre. You can find details of these devices at **[www.thatcham.org](http://www.thatcham.org)**.

**Plan your journey** to avoid having to stop in areas you don't know very well.

**Park your motorhome carefully.** Where and how you park your motorhome can be important for your safety and the security of your motorhome. The 'Park Mark' safer parking award is given to parking areas if they achieve a standard of safety and security set by the police.

Log on to **[www.securedcarparks.com](http://www.securedcarparks.com)** to find out where these car parks are.

If you can't find a secure car park:

- park in a well-lit area if you are parking at night; and
- if you are using a multi-storey car park, choose a space that is close to the exit and away from pillars. Always take your parking ticket with you.

**Protect your alloy wheels** by fitting locking wheel nuts approved by Thatcham.

## Protecting your motorhome and belongings (continued)

**At home**, do not leave your motorhome keys where a burglar can easily find them, such as on a hook or on a table. Thieves often break into houses just to steal the vehicle.

If you have a garage, use it and lock it if possible..

For more information, visit the crime prevention officer at your local police station or visit **[www.crimereduction.gov.uk](http://www.crimereduction.gov.uk)**

## Protecting yourself and your passengers

The following tips should help you make sure you and your passengers are safe.

**Use head restraints.** Whiplash injuries often result in many days of pain and suffering. Injuries such as whiplash currently cost British insurers over £1 billion a year and account for over 80% of the total cost of personal injury claims.

To prevent whiplash, adjust your head restraint so it is as close to the back of your head as possible (it is best if your head touches the restraint). The top of the restraint should be as high as the top of your head.

You and the people travelling with you should check the position of your head restraints before every journey.

**Remember, it's a head restraint – do not use it as a headrest.**

**Tiredness** is thought to be a major cause of many road accidents. You should take a break for at least 15 minutes every two hours.

**You should not use your mobile phone** while driving. Making or receiving a call, even using a hands-free phone, can distract you from driving and could lead to an accident. It is now against the law to use a hand-held mobile phone. If you are caught, you could get three points on your licence and a £60 fine.

**Wear seat belts.** It is against the law not to wear a seat belt if one is fitted. Wearing a seat belt could keep you safe if you have an accident. Make sure you adjust the seat belt properly for your height and build.

The law provides a number of exemptions from wearing seat belts. These are based on medical and other reasons.

Please ask your doctor if you think you should not wear a seatbelt for medical reasons.

To be exempt for medical reasons, you must hold a 'Certificate of exemption from compulsory seat-belt wearing' issued by a qualified medical practitioner and you must show it to the police if they ask.

### **Child car seats**

Since 18 September 2006, new laws apply to protect children in cars.

For full details of the new law, please go to [www.thinkroadsafety.gov.uk/campaigns/childcarseats/pdf/law-leaflet.pdf](http://www.thinkroadsafety.gov.uk/campaigns/childcarseats/pdf/law-leaflet.pdf) or phone the Department for Transport on **020 7944 8300**.

## **What to do if you have an accident**

If you are involved in an accident or your motorhome is stolen, call Claimline on **0870 240 1895** (or **0044 23 9220 5450** if you are phoning from outside the United Kingdom). Lines are open 24 hours a day.

The following guidelines will help us to help you with your claim.

**1 Stop** your motorhome if you:

- have an accident with another vehicle;
- hit a pedestrian;
- hit certain animals (for example, farm animals or dogs); or
- hit another person's property.

It is against the law to drive away.

**2 Exchange all details**

Make sure you get:

- the names, phone numbers and addresses of everyone involved (including any witnesses);
- the details of their insurance companies (including names and policy numbers if the people know them); and
- the registration numbers of the cars involved.

**3 Show your certificate of motor insurance**

- If someone is injured in the accident, you must show your certificate of motor insurance to anyone who has a good reason for asking to see it.
- You must also tell the police within 24 hours of the incident, and also show them your certificate of motor insurance.

## What to do if you have an accident (continued)

### 4 Do not admit the accident was your fault or offer any payment

Accidents are stressful, but it is essential that you do not:

- admit you are to blame; or
- offer to pay anything;

as it could be difficult for us to manage your claim and may also affect your rights.

Please tell us if any other person admits the accident was their fault.

### 5 Write down all the facts

Write down all the facts of the accident as soon as possible, no matter how trivial the fact may seem at the time – these facts may help us prove your case.

- If possible, take a photo of the scene. It is a good idea to carry a small disposable camera in your motorhome at all times.
- If you do not have a camera, draw a diagram of the scene. Show as much detail as you can – for example, the position of all the vehicles involved (before and after the accident), road names, road signs and markings, the width of the road, skid marks, where the witnesses were, and anything that was blocking your and other people's views.
- Write down what the weather was like, including whether it affected visibility (for example, fog) and the condition of the road.
- If anyone is injured, write down their name and their injury.

### 6 Letters and documents

You must send us all letters and documents you receive to do with the accident. Do not answer them yourself. Do not try to deal with any claim unless we have agreed this with you.

### 7 Theft

If your motorhome or its contents are stolen, you must report it to the police as soon as possible.

### 8 Note

It will help speed up your claim if you have all your documents to hand when you make your claim, such as your:

- certificate of motor insurance;
- driving licence;
- vehicle registration document (V5 or V5C); and
- MOT test certificate (if it applies).

We will then guide you through the claims process.
