unless **We** have agreed in writing to other limits.

Basis of Settlement for claims made under Section 1

Insurers will only pay for costs **You** have actually incurred or the **Claims Team** have authorised as a result of an insured **Incident**.

Insurers will not pay more than the sums insured shown in **Your Evidence of Insurance** or the other maximum limits shown in this Section, irrespective of the basis of cover chosen or the actual cost to repair or to replace insured property. If the basis of cover does not meet **Your** needs or if the sums insured are inadequate, please contact **Us** as soon as possible. **Our** contact details are shown at the beginning of this policy booklet.

The point at which the cost to repair property becomes uneconomic is subject to many factors. Such decisions will be made solely at the discretion of **Insurers** as will the decision to carry out specialist repairs where appropriate or to replace parts. If **Insurers** decide **Your** property is repairable, they will pay up to the sums insured for the appropriate repairs. If **Insurers** decide **Your** property is not repairable, they will declare it to be a **Total Loss**.

The basis of cover used for **Total Loss** claims differs as follows, according to the insured property in question:

<u>Insured Property</u>	<u>Basis of Cover Used</u>
• Unit	As shown in the Evidence of Insurance
• Awnings and Equipment	New for Old if You can provide a proof of purchase to show that such property was under 5 years old at the time of the Incident . In all other instances the basis of cover will be Market Value
• Personal Effects and Contents	Market Value in all cases

The full meaning of the available basis of cover can be found under “Definitions” in this policy booklet. The index on the inside front cover provides the page number.

Cash Settlements

Unless the basis of cover is **Agreed Value** and **Your** property suffers a **Total Loss**, all cash settlements will be limited to the cost of property of a similar type and age less a deduction for wear, tear and depreciation.

Failure to use required or declared safety or security arrangements

An initial settlement calculation will presume that at the time of the **Incident**, required or declared security or safety arrangements were in use and operational. As proof that **You** owned such security devices, **Insurers** will require **You** to provide the keys needed to operate them.

If such security and safety arrangements were not in force and the **Incident** was of a type that was affected by their absence, then the settlement offer will be adjusted according to whether or not **Insurers** would have accepted the risk on that basis, as shown below.

*Would **Insurers** have accepted the risk?*

- Yes

*How **Insurers** will approach settlement*

The initial settlement calculation will be reduced by multiplying it by the premium actually charged and dividing the result by the higher premium that would have been charged had **Insurers** known the safety or security arrangement would not be in force.

- No

Insurers will not pay the claim.

Failure to use safety or security arrangements may also affect the **Excess** used to calculate **Your** settlement offer.

Proof of Ownership

In the event of a **Total Loss** of **Your Unit**, **Insurers** will only settle **Your** claim after **You** have provided proof that **You** owned it at the time of the **Incident**. **We** recommend **You** retain any purchase receipts and that, for touring caravans manufactured after 1992, **You** also hold a CRiS registration document showing **You** as the registered owner.

Obsolete Parts

Where new parts are needed for a repair but they are found to be obsolete or unobtainable then, the claim will be limited to the last known list price of the part, together with the appropriate fitting charge.

Repair / Replacing Damaged Parts Only

Claims resulting from loss or damage to panels or windows will be limited to the replacement or repair of the lost or damaged panels or windows only

Conditions

The General Conditions apply to this Section.

Section 2 – Loss of Use

What is not covered

Insurers will not pay for any cost that does not arise directly from an insured loss under Section 1 taking place whilst **You** are away from **Home** on holiday with **Your Unit**.

Despite the above, cover is provided under this policy if **You** are due to depart on a pre- booked holiday with **Your Unit** and repair or replacement cannot be completed by the planned departure date, and that **You** have made all reasonable endeavours to repair or replace **Your Unit**.

What is not covered

Insurers will not pay any costs, damages or compensation for:

- 1) Liability arising whilst the **Unit** is hitched to a towing vehicle, being towed or as a result of becoming detached from a towing vehicle.
- 2) Damage to property owned by or in the custody of **You** or **Your Family**, an employee of **You** or **Your Family**, or any person to whom the **Unit** is lent.
- 3) Liability for which compulsory insurance or security is required for any road traffic legislation.
- 4) The legal liability of anyone who is not **You**, **Your Family** or **Your** legal representative unless:-
 - a) **You** have notified **Us** and **We** have agreed to this extension in writing;
 - b) That person is using **Your Unit** with **Your** permission;
- 5) That person observes and abides by the terms of this Section.
